

30+ Years as a Campus-Community Partnership working alongside children, families, and educators across Connecticut to build meaningful relationships and deliver impactful educational programs focused on healthy eating and physically active lifestyles.

TALENT PIPELINE of UConn Students

The recruitment, funding, and development of talented and diverse UConn Students has served as an integral component of UConn HNS

Early College Experience Students

250+

UConn HNS has offered Early College Experience (ECE) courses with high schoolers in multiple Connecticut school districts for over 10 years, in conjunction with the Neag School of Education's growing focus on providing ECE courses.

Affiliated courses aim to guide enrolled students through a combination of shared learning and community engagement. Courses are housed in the Neag School of Education's Department of Educational Leadership, yet are available for students across academic programs.
